

TABLE OF CONTENTS

CHAPTER ONE: <i>Utetheisa ornatric</i> : A MOTH AND ITS USE OF DEFENSIVE ALKALOIDS FROM PLANTS	1
Appendix	5
Bibliography	6
CHAPTER TWO: CHARACTERIZATION OF PLANT-DERIVED ALKALOIDS IN THE MOTH <i>Utetheisa ornatric</i>	9
Introduction	9
Materials and Methods	12
Results and Comments	16
Discussion	35
Appendix	42
Bibliography	45
CHAPTER THREE: FATE OF THE MALE'S ALKALOIDAL GIFT TO THE FEMALE: HOW MUCH IS RETAINED BY THE FEMALE?	48
Introduction	48
Materials and Methods	50
Results	52

Discussion	60
Appendix	69
Bibliography	69
CHAPTER FOUR: FATE OF THE MALE'S ALKALOIDAL GIFT TO THE FEMALE: HOW MUCH IS ALLOCATED TO THE EGGS?	71
Introduction	71
Materials and Methods	72
Results	75
Discussion	91
Appendix	96
Bibliography	101
CHAPTER FIVE: PROMISCUITY OF THE FEMALE: A HUNGER FOR ALKALOIDS?	107
Introduction	107
Materials and Methods	108
Results	112
Discussion	117
Bibliography	125

CHAPTER SIX: FROM THE MALE TO THE EGGS: PA GIFT PATHWAY IN THE FEMALE	127
Introduction	127
Materials and Methods	129
Results	133
Discussion	150
Appendix	155
Bibliography	160
